Prescilla Club

On July 22, Mrs. Harris Garrett entertained the Prescilla Club at the home of Mrs. A. Melton, where a delightful evening was spent by all who were present. The Club worked at some beautiful fancy work and had a jolly good time for about an hour, after which delicious refreshments were served.

Mrs. Melton having a new kodak which she had never yet tested, thought the crowd that gathered at her home would be the best she could get to see, whether it would be easily broken. The kodak held up all right which made all the members agree with Mrs. Melton that it surely must be an extra good one.

There were nine ladies present at the club and every one was glad to have three new members added to their delightful crowd. Those being Mrs. C. P. Chappell, Miss Mayme Hart, and Miss Alma Grey Garrett. Three visitors were present, Miss Velma Wood, from Austin, Texas, who is visiting Miss Garrett, and Miss Kathrine Staton, from Midland, Texas, who is visiting her sister, Mrs. L. A. Cooley. The last visitor, was the dear little brown eyed baby of Mrs. C. P. Chappell.

"I was only a little baby. Only an innocent child. But all the gloom was brightened When the baby smiled."

There being no new business to attend to, the Prescilla Club adjourned to meet again July 29th, at the home of Mrs. W. S. Hollifield.

House Party At Garrett's Ranch

AS REPORTED TO YE EDITOR

A few of the Lovington young people attended the house party given at the J. T. Garrett ranch, some 25 miles north west of town last Saturday afternoon. Given in honor of Miss Woods of Austin, Texas, cousin to Miss Alma Grey Garrett.

The party that left Lovington late Saturday afternoon for the ranch were: Mr. Ham Bishop, Miss Mayme Hart, Mr. Jeff Hooker, Miss Maud Magness; Mr. Jack Magness, Miss Ruby Hollifield; Mr. Ed Wise, Miss Kathrine Staton. Messrs Emory Yaden and Cecil Morgan joining the party as escorts for the Misses Garrett and Wood at the ranch.

Mr. Harry Morrison, of Roswell, who was in Lovington at the time, was also invited and so took his Victrola along to furnish extra music for the occasion.

On reaching the Garrett home they found many others, who were relatives and friends of the host and hostess. And, it being late upon their arrival, it was not long before they were invited to partake of a sumptuous supper which was a delight to the jolly, hungry crowd.

After supper they were ushered into the parlor where they were pleasantly entertained by Mr. Morrison's "Victrola," instrumental and vocal solos on the piano by the musicians present, and games.

The next morning all were ready to go to the Browning ranch where a couple of tunnels had been dug or drilled from the side of the cliff of the cap rock straight back under the cap rock for 100 feet or more, to tap springs from which the water was conveyed through pipes and the tunnel to the ranch below the cap rock. This is said to have been done some 30 years ago and is still in use. These tunnels are narrow, but deep, and this party proceeded to take their electric flash lights and go clear to the end and look at the spring which had been dug out to about four feet square. They returned to the Garrett ranch for dinner and in the afternoon back to Lovington, all reporting - their host and hostess master and mistress in the art of entertaining.

Apples, peaches and plums are now being brought in by the wagon load for market. While some are being brought in by parcels post.

Mrs. J. P. Pittman of Lake Arthur has been added this week to our new list of subscribers.
